

Summer Road Trip Car Prep Checklist

TIRES & WHEELS

- ☐ **Inspect Tread Depth:** Use the quarter test—insert a quarter into the tread with Washington's head down. If you can see the top of his head, it's time to replace the tire.
- ☐ **Check Tire Pressure:** Ensure all tires, including the spare, are inflated to the manufacturer's recommended PSI.
- ☐ **Look for Damage:** Examine tires for cuts, bulges or sidewall damage.
- ☐ **Rotate Tires:** Rotate tires every 5,000 to 7,500 miles to promote even wear.

BATTERY & ELECTRICAL

- ☐ **Test Battery:** Have your battery tested, especially if it's over three years old. AAA offers free testing for members.
- ☐ **Clean Terminals:** Ensure battery terminals are clean and free of corrosion.
- ☐ **Secure Connections:** Check that battery cables are tightly connected.

ENGINE & FLUIDS

- ☐ **Check Engine Oil:** Verify oil level and condition; top off or change if necessary.
- ☐ **Inspect Coolant Level:** Ensure coolant is at the proper level to prevent overheating.
- ☐ **Brake Fluid:** Check brake fluid level and condition.
- ☐ **Transmission Fluid:** Verify transmission fluid is at the correct level and clean.

CLIMATE CONTROL

- ☐ **Test Air Conditioning:** Ensure the A/C is blowing cold air; have it serviced if not.
- ☐ **Replace Cabin Air Filter:** Change the cabin air filter to maintain air quality inside the vehicle.

EMERGENCY & SAFETY KIT

- ☐ **First Aid Kit:** Include bandages, antiseptics, pain relievers and any necessary medications.
- ☐ **Jumper Cables:** Carry a set of jumper cables or a portable jump starter.
- ☐ **Flashlight & Batteries:** Have a working flashlight with extra batteries.
- ☐ **Basic Tools:** Include screwdrivers, pliers and an adjustable wrench.
- ☐ **Emergency Flares or Reflective Triangles:** Use to alert other drivers if you're stopped on the roadside.
- ☐ **Water & Snacks:** Keep bottled water and non-perishable snacks on hand.

CLEANLINESS & COMFORT

- ☐ **Clean Interior & Exterior:** Wash and vacuum your car to start the trip fresh.
- ☐ **Organize Essentials:** Ensure registration, insurance and owner's manual are easily accessible.
- ☐ **Entertainment:** Download music, podcasts or audiobooks for the journey.

PRO TIP:

Before embarking on your trip, consider scheduling a comprehensive vehicle inspection at a AAA-owned Car Care Center or a AAA Approved Auto Repair facility. AAA members receive discounts and can ensure their vehicle is road-trip ready.

Safe travels and enjoy your summer adventure!
